The “Competent Person” service fee for subscribers is payable by monthly standing order – to obtain the service an initial 3 month subscription is payable in advance for the basic and standard packages and 6 months in advance for the Safe-T Plus package – with the relevant monthly amounts thereafter by standing order.

Please note: Bespoke Competent Person Service is also available if you do not find a solution that matches your requirements in the above packages.

Our Competent Person packages mean you can meet your legal requirement of seeking competent advice without the significant overheads associated with employing a full time member of staff to deal solely with health & safety issues but have the reassurance of being able to ask for all the professional help and advice you need.
